Dear Friend,

A safe place to go after school. More than a building but somewhere to learn, to live, and to grow. People who remember and share those memories with friends of your generation. A place to turn to when you need a helping hand, a comforting shoulder, or an ear to just listen and understand.

**The Community Place.**

Generations of people in northeast Rochester neighborhoods have turned to us for support. What started out as settlement houses — neighbors helping neighbors, grandparents learning new languages and customs, parents becoming citizens, children learning skills from cooking to dancing to leadership — has grown to be so much more.

**You can help continue to provide avenues of opportunity to people looking for a better life.** As times have changed, the needs of our neighborhoods have changed and grown and we have grown with them. Our three locations in Rochester are vital for people in the city and throughout our region. Now we offer educational opportunities to all ages — a welcoming place after school or over the summer while they grow educationally and socially...programs that support skill building, socialization, and recreation for youth with developmental disabilities as well as respite for their caregivers. Seniors can receive a nutritious meal while they reminisce and play games, and we provide food and other basic needs for individuals and families going through challenging times.

**Your donation makes a brighter future for children, families, and seniors.** You will create healthier neighborhoods by keeping kids safe, educating and preparing youth for jobs, keeping families fed and stable, and providing comfort to our seniors in their golden years.

Please send your contribution in the enclosed envelope. **Thank you for your generous support of Community Place and all the people who turn to us for help!**

Sincerely,

*Scott C. Benjamin*  
 Scott C. Benjamin  
 Chief Executive Officer

P.S.: Each year we have the chance to gather with alumni of Community Place, whether they went to Lewis Street Settlement, Genesee Settlement House or Eastside Community Center. **If you went to any of these settlements, please include a note in your envelope so we can be sure you are invited to picnics and other alumni events.**

**PLEASE CONSIDER A GIFT TO THE COMMUNITY PLACE**

Yes, I/we want to support the 2018 Annual Fund.
