

**Starting Monday, March 16, our Senior Center, Universal Pre-K, Threshold Learning Center, and After-School programs (Community Learning Center and Sky is the Limit) will be closed as part of our efforts to help reduce the spread of coronavirus.**

**We are deep-cleaning our facilities and taking other precautions to help protect our staff and those we serve.  
Our Family Services program is still open, so if you need assistance, please call us at 585-288-0021.**

**We are continuing to follow this situation closely and will post our updates here. Thank you for your understanding and patience!**
